Subject:	Partially Recirculated Draft Environmental Impact Report (EIR) for the 469 Stevenson Street Project (Planning Department File No. 2017-014833ENV)
Date:	Wednesday, November 2, 2022 4:27:12 PM
Attachments:	NOA_Notice Supplement_469_Stevenson_Street_Project_PRDEIR.pdf

Dear Supervisors and Aides:

The Planning Department published the partially recirculated draft EIR for the proposed 469 Stevenson Street project on November 2, 2022. At the Board of Supervisors' direction under Motion No. M21-182 in file no. 211278, the partially recirculated draft EIR provides additional analysis and evidence related to the proposed project's potential for physical impacts resulting from gentrification and displacement, historic resource impacts, and potential geotechnical impacts.

The partially recirculated draft EIR may be downloaded from: https://sfplanning.org/environmental-review-documents. Please let me know if you would like a hard copy.

A hearing before the Planning Commission to take comment on the partially recirculated draft EIR will be held on Thursday, December 8, 2022.

If you have any questions related to this project's environmental review, I am available at CPC.469Stevenson@sfgov.org or 628.652.7568.

Sincerely,

Jenny Delumo, AICP (she/hers)
