Hi Ana,
Following up on the voice message I left regarding delivery to Central Market Community 901 Market St. Suite 490. The security guard told our messenger that they are no longer in that building.
Please advise..

Hello Richard,

Hope all went well with my order earlier this week (printing 1,062 mailers). I really appreciate your team working on it.

I just placed a separate order for the same project but a different request. Upon downloading the files and review of my request, do not hesitate to reach out with any clarifying questions. Please note – delivery address shows up as my Stantec office location but I DO NOT want to receive the documents – request is for ARC to courier/FedEx them to each of the 22 recipients included in my order details. Looking for 11/2 delivery or if that's not possible, overnight for 11/3 delivery.

Thanks!
