Hi Steve,

I'll put this on the agenda for the call this morning.

Kind regards,
Jenny

Hi Jenny, can we set up a short Teams meeting with you (and Jessica if needed) to discuss if additional shadow analysis is required (and in what form) for the revised rooftop elements in the 469 Stevenson Street project required to accommodate the new roof deck. I believe you are both back in the office next week, right, sometime early next week would be best.
